and various other helpful resources. Have fun by updating your skill levels and try to keep everything fun! If you have any problems or just need a break, come play with us on any of our official servers. If you would rather just go to your local arcade and learn to play, go for it. Our servers are all self-automated so they'll boot you right into the game! Q: How do I play? A: It's easy! Go to our home page, choose a server, log in and download the program if you haven't already. Click on "New Game" and your game will start. Q: Where can I play? A: We have a ton of locations. Check out our map: Or, use our handy finder tool to see where all of our live servers are:Q: What is the difference between a rejig and a restructure? I heard both words, but I'm not sure what the difference is between the two terms. A: A rejig is when you take something apart or rearrange it in a different way. The new course structure was a good rejig. A restructure for the past year. According to Oxford: Rejig - To rearrange or change the format of. Examples: the rejig that your new house takes is appalling. Restructure - To reorganise, to reshape; to give a new arrangement to, or to make new. Examples: the group is to restructure at the end of term. (A restructure is a very common word, but not exactly well-known. It is usually used for businesses. It is different from a rejig is something more subtle. It refers to the state of mind of a person. A rejig of the personality? If there is no rejig, there are no changes in a person. and smooth out the \$y\$ coordinate 82157476af
