Here is one which we have been using. Works great but it has a shelf life of around 6 weeks and flavour will peak after 1 week.

For Garlic Peri-Peri sauce:

16 tablespoons of olive oil (regular) or vegetable oil.

5 tablespoons of garlic powder

3 lemons - squeeze the juice out.

2 tablespoons paprika

1 tablespoon of cayenne pepper (optional)

1 tablespoon of cider vinegar

12-18 Thai chilli - cut up (medium heat; 24 up for high heat)

For Garlic, Herb & Lemon:

Add the following:

1 tablespoon of green parsley (optional)

1 tablespoon of green coriander (optional)

Mix up the above and put into a blender. Blend until completely liquidised. Add the optional item if you are wanting the Nando's Lemon & Herb; .

Pour into a bottle and refrigerate.

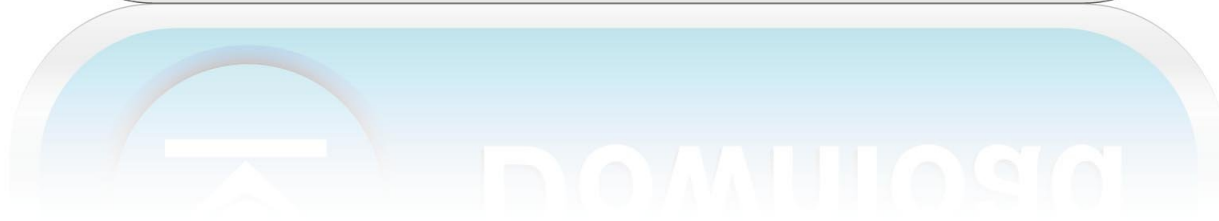

Perfect as a marinade or a Nando's replacement sauce. Results are guaranteed to please peri-peri aficionados.
